New York Stock Market

New York, June 29.—Beyond another meteoric rise in American Tobacco and pronounced strength in some of its former subsidaries, there was little of interest in to-day's session on the istock Exchange. The better known securities rose and fell fractionally. Canadian Pacific reported a net gain \$362,000 for May, and Boston and Maine gained \$320,000, but the Reading was unfavorable with its report. Bonds were quiet. United States government bonds were unchanged for the week.

New York, June 29.—Prime mercantile paper 4 to 441-4 per cent. Sterling exchange steady with actual business in bankers' bills at \$4.8475 for sixty-day bills and \$1.8720 for demand. Commerc'al bills, \$4.84. Bar silver, £11-4.

Money on call nominal. Time loans strong; s'xty days, 3 per cent., and 99 days, 31-4 per cent.; six months, 33-4 to 4.

COTTON MARKETS.

New York, June 29—The cotton market was comparatively quiet to-day and fluctuations were irregular, with the close steady at a net decline of 1gG points. The opening was steady at a decline of 2gG points in response to lower cables than due and scattering liquidation, or realizing by recent local buyers.

Aside from the operations of bullish spot interests the trading here seemed to be chiefly in the way of evening up for over the week-end and the government report, which is to be published next Wednesday, Receipts at the ports to-day were 3,077 hales against 2,016 last week and 1.590 last year, To-day's recepting at New Orleans 1,79 baies against 2,016 last week and 1.590 last year, To-day's recepting at New Orleans 1,79 baies against 2,016 last week and 1.590 last year, To-day's recepting at New Orleans 1,79 baies against 2,016 last week and 1.590 last year, To-day's recepting at New Orleans 1,79 baies against 2,016 last week and 1.590 last year, 37 baies against 2,016 last week and 1.590 last year, 37 baies against 2,016 last week and 1.590 last year, 37 baies against 2,016 last week and 1.590 last year, 37 baies against 2,016 last week and 1.590 last year, 37 baies against 2,016 last week and 1.590 last year, 37 baies against 2,016 last year, 38 baies again

A Banking Equity

Any business maintaining a bank account with a fair balance has a "banking equity"-that is, a right to borrow from the bank in proportion to the value of the account it has maintained.

This bank wishes it understood that all worthy business loans will receive our careful consideration.
